THOSE WERE THE DAYS . . .

OH YEAH!

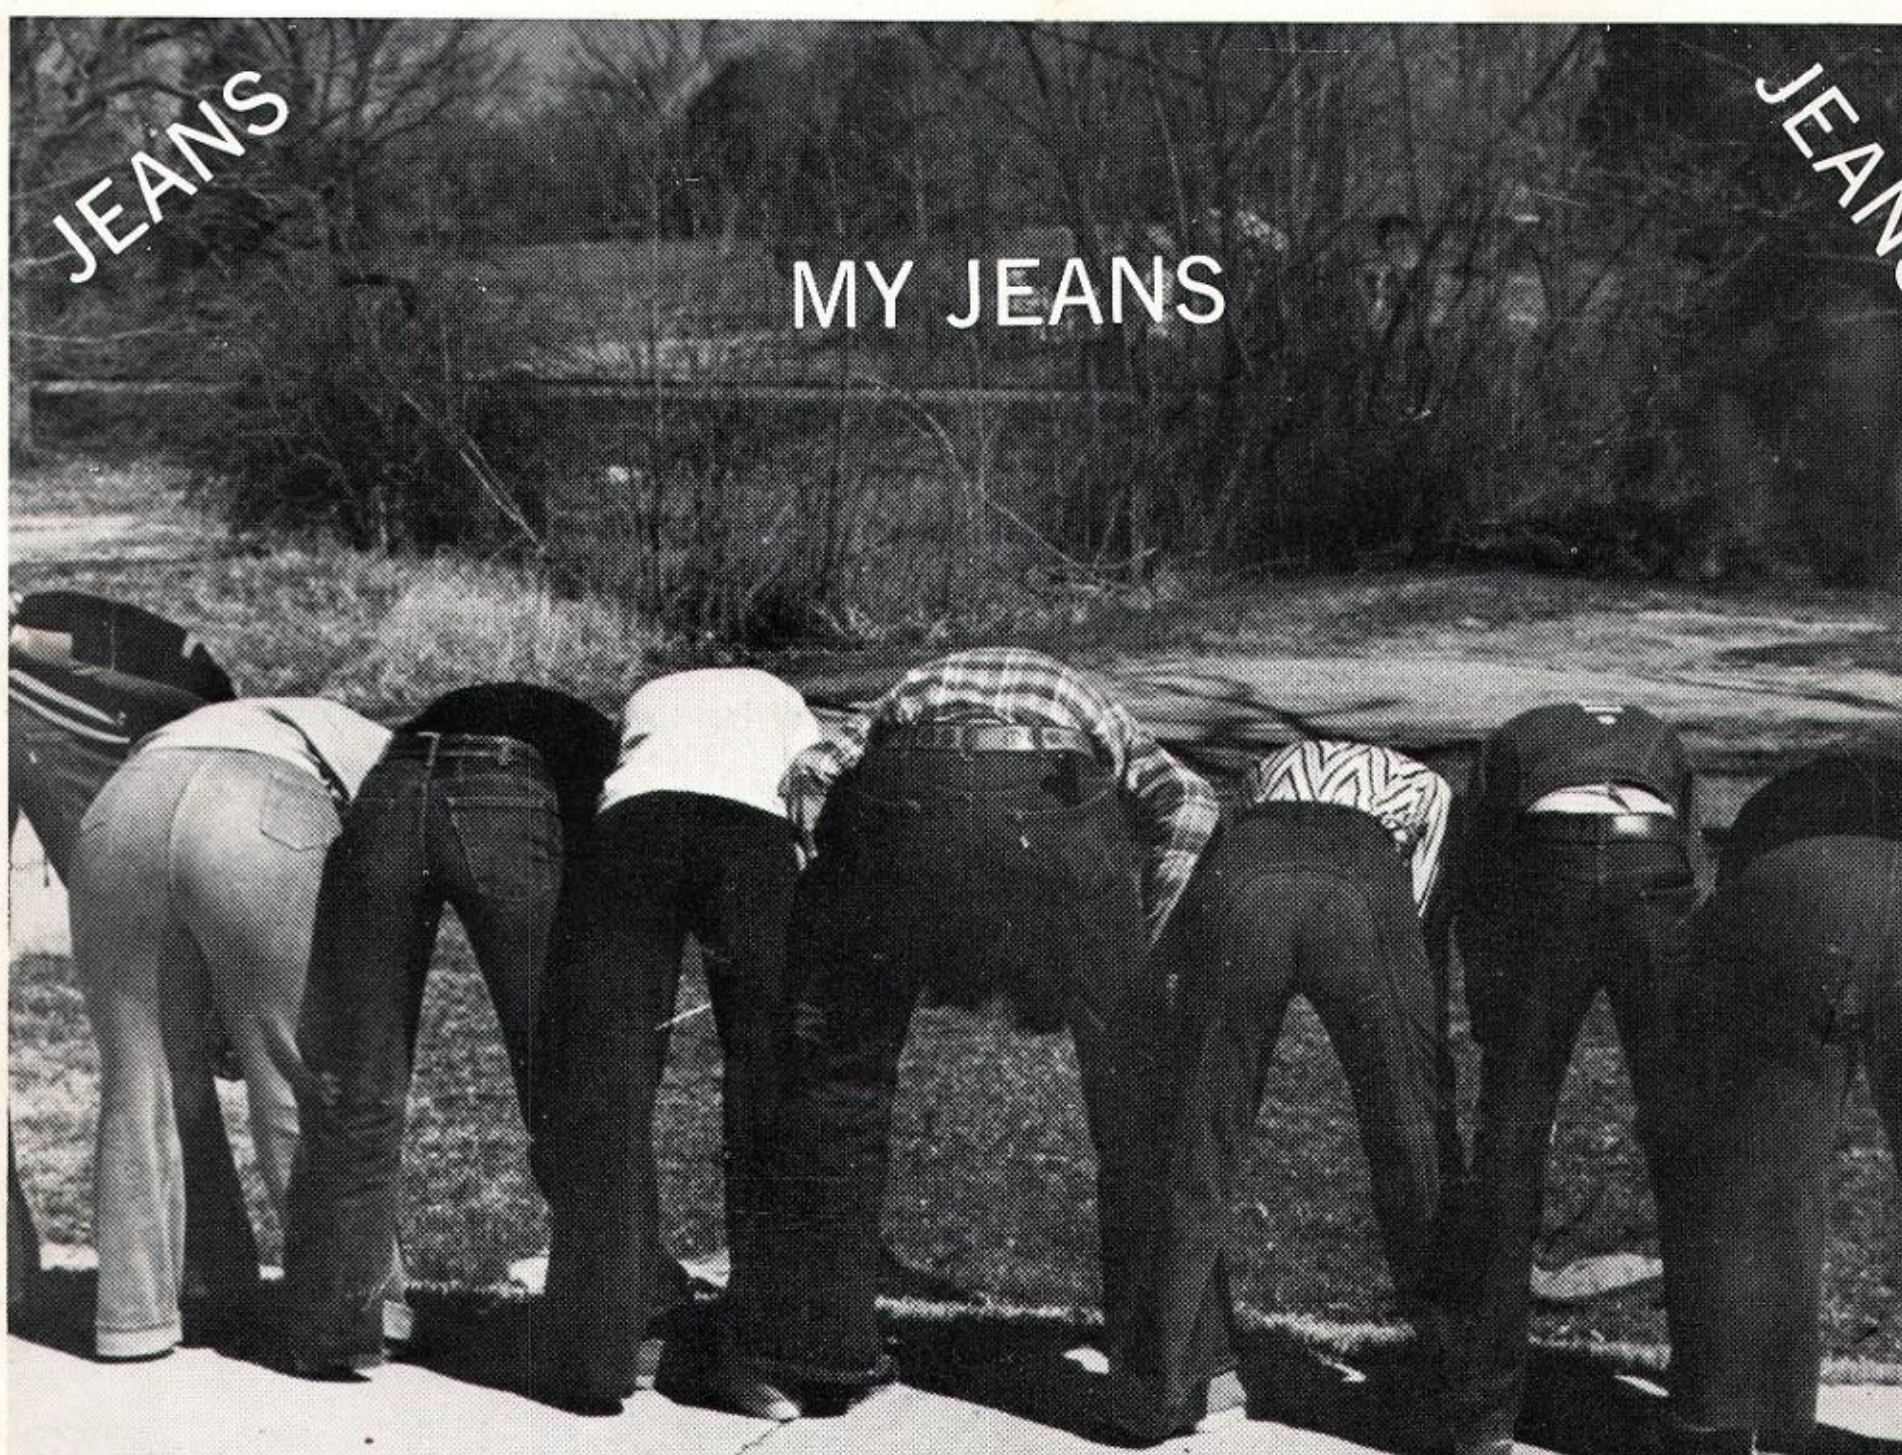

JEANS

MY JEANS

JEANS

Rumpled and crumpled, faded blue-white,
Been through high waters, been through some fights.
Seen plenty of sadness and heartaches and pain,
Been tackled in football, ran through the rain.
Seen a lot of gladness, seen laughter and fun,
Waded through water, rolled up for the sun.
Swayed through rock concerts, bumped to the beat,
Split open while skating, patched on the seat.
Seems like I remember them once a dark blue,
Sort of stiff when I wore them, I hated them new.
But all things must soften with age, I have seen,
They faded to light blue, and then they were JEANS!
They've seen me in love, out of love, mixed up inside,
They've seen me in trouble; they've seen me lie.
They've aged oh too quickly, some places just threads,
But I plan to wear them 'til they're in shreds.
Well, summer's heat is with me now, my scissors in hand,
As I cut off my blue jeans, it's like killing a friend!

Mrs. Wanda Bartlett not only enjoys her plants, but finds time to sew, collect antique glassware and bottles, and garden. Mrs. Bartlett is mainly involved with the ninth grade, teaching Consumer Ed. and General Business.

Mr. Bobby Bigham isn't only the eighth grade sponsor, but an All-American, too. He enjoys Civil War relics and teaching American History. Coach is known around MHS for his leadership of our football team.

Mr. Charles Dean Brunjes

Band doesn't always occupy Mr. Brunjes time. There are times when he can be found golfing, watching baseball, or even bowling. "Mr. B." is a sponsor of the Junior and Senior Bands and teaches General Music and World History.

Mr. Daniel Bufford

is really into physical fitness. He teaches P.E. and Biology. He gets his exercise with outdoor sports such as hunting and fishing.

Mrs. Donna Carr

winds her timer, pumps her organ, and tunes her ears into "good" music. With her schedule of sponsoring the TIGER-ETTE staff and the tenth grade, she manages to teach Typing I and II, Shorthand, and Book-keeping.

Miss Gertrude Copeland says she likes teaching because she likes "laughing, crying, and helping students everyday." Her subjects, Health and P.E., keep her involved in her hobby of playing basketball. In the words of this Senior class sponsor, "They aren't all so bad!"

Mr. Marvin Day

lives a dangerous life — teaching Driver's Ed. He coaches both the boys and girls Senior High basketball teams and does a very fine job of it.

Mrs. Patricia Gilbert

not only sponsors the Seniors, but along with that, the annual staff. Mrs. Gilbert teaches Junior and Senior English. Her hobbies of boating, skiing, and needlepoint keep her busy.

Mrs. Rosa Hamer
is surrounded by one of her hobbies — books. Some of her other hobbies are cooking, sewing, and watching people. Mrs. Hamer sponsors the Library Club. She wanted to be a teacher "so that I could share what I have learned and my experiences with the young."

Mrs. Peggy Henry
has her hands full with teaching Cosmetology and sponsoring the Vica Club and the Junior Class. She feels this is her opportunity to teach skill and profession. Cooking, sewing, and traveling are her favorite pastimes.

Miss Diane Hill

is our new English and eighth grade sponsor. She likes reading and needlepoint. When asked her reason for being a teacher, her reply was, "Believe it or not, I like young people!"

Mrs. Annie Hudson

says she enjoys working with the young people at the church and in her community and wanted to help direct their lives. She is a Title I teacher of Language, Arts, and Math.

Mrs. Elizabeth McKinnie
is one of our Junior High teachers. Her subjects include seventh grade Social Studies and two classes of eighth grade Science and Health.

Miss Helen Johnson

is another of our new English teachers. She has quite a few hobbies, such as sewing, latch hook, needlepoint, and ceramics. Miss Johnson is our ninth grade sponsor and teaches Sophomore and Junior English and Literature.

Mr. R. M. McAnulty

has a busy schedule of teaching General Business and Trade all day. He likes building, making and creating things with his hands. Mr. Mac is the sponsor of the tenth grade and the Vica Club.

Mrs. Genette McKinney

teaches seventh and eighth grade math. She enjoys painting and doing things with her hands.

Mrs. Geneva Martin

sponsors the tenth grade and teaches eighth and ninth grade English. Her hobbies include reading, fishing, and making desserts.

Mr. Huey Mott

teaches Agriculture classes and sponsors the FFA Club. Mr. Mott's hobbies include playing tennis and hunting.

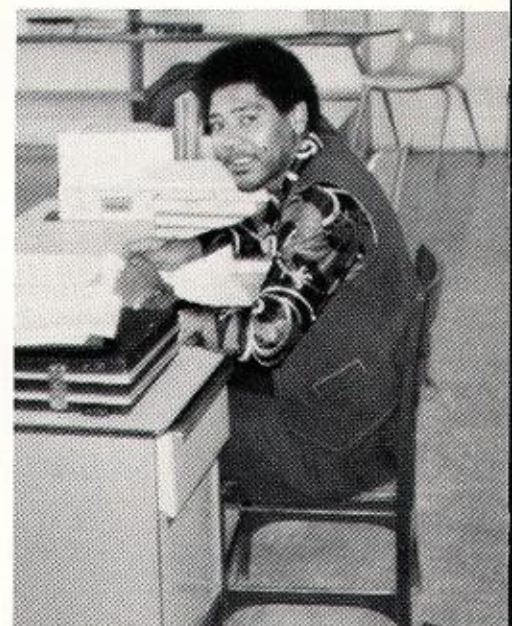

Mr. Morris Parham

sponsors the ninth grade and teaches Mathematics. Mr. Parham enjoys all kinds of sports.

Mr. Thomas Polk

hobbies are Music and Radio Broadcasting. Mr. Polk teaches Mathematics and English. He sponsors the eighth grade.

Mr. Gene Ross

teaches American History and Economics. Mr. Ross enjoys all sports, riding horses, and hunting. He sponsors the Beta Club and the Senior class.

Mr. Larry Smalley

hobbies are all sports. Mr. Smalley teaches Distributive Education I and II and coaches the Junior High Basketball team.

Mrs. Connie Thompson

sponsors the FHA Club and teaches Home Economics. Mrs. Thompson's hobbies include civic activities and talking to plants. She loves to travel and do needlework.

Miss Norma Wilbanks

teaches General Science and Biology and sponsors the Junior and Senior High Cheerleaders and the Pep Squad. Her hobbies include horseback riding, playing the piano, and being with her friends.

Mr. Perry Wright

enjoys fishing, hunting and all sports. Mr. Wright sponsors the Jr. and Sr. Football team and Sr. Baseball team. He also teaches seventh grade Science.

Emptiness

As the buses leave and the teachers depart, the lonely walkway is empty. Not a soul is around, and the school is dead. One might say that students are the life of the campus.

Mrs. Helen Jones

Mrs. Jones has been a teacher at Middleton High School for thirty-six years. As Guidance Counselor, she is involved in helping students select their high school courses and helping seniors select colleges and careers. Her hobbies include reading and working with flowers.

BEING THE HOMECOMING QUEEN . . .

Being elected Homecoming Queen was a great honor. It was a rewarding and exciting experience that will continue to be one of my most pleasurable memories. I will never forget the intense excitement of standing on the line, waiting to march out to hear the final decision. But what especially thrilled me was knowing that the football team chose me as their 1977-78 Homecoming Queen.

Winning the Homecoming game added to the excitement and made the night even more memorable.

INITIATION

FFA
FFA

The primary aim of the Future Farmers of America is the development of agricultural leadership, cooperation, and citizenship. The Motto consists of only four lines, but these lines are filled with practical philosophy, reflecting a spirit and sincerity that shows the true viewpoint of farm youth, the "backbone of a nation." The Motto is as follows: Learning to do, Doing to learn, Earning to live, Living to serve.

DECA is a program designed to develop future leaders for marketing and distribution of goods and services. The purposes of DECA are to develop a respect for education in marketing and distribution which will contribute to occupational competence, and to promote understanding and appreciation for the responsibilities of citizenship in our free, competitive enterprise system.

On November 4, 1977, DECA had a bowling party at Plaza Lanes in Corinth, Mississippi. On March 9, 1978, nine D.E. students attended the regional career development conference at Jackson State Community College. Lisa Bolden participated in Apparel and Accessories competitive events; Rod Cagle in Food Marketing; Annette Taylor in General Merchandising; Randy Antwine in Finance and Credit; Patricia Linzy in Advertising Services; Teresa Foster in Food Service; and Glenn Childers in Petroleum. The Library Club has been actively involved in the raising of funds to help purchase much needed audio-visual equipment and other materials for the school. The club's twenty-two members have really gone out to make the library an asset to the students of MHS. Among the member's duties are the shelving of books, helping students find books and the general maintenance of the room. The club culminated its year with a recreational and educational trip which will be the highlight of the year's activities.

STUDENT COUNCIL

We tried, but we couldn't do it!

The Student Council of MHS is a governing organization composed of elected representatives from the upper four classes. The purposes of this group are to foster a spirit of cooperation between the student body and the administration, coordinate and regulate student activities, maintain a high standard of personal conduct by example, promote and encourage activities for the best interest of the school, and develop good citizens through providing experiences in democratic living. A good progressive student council is a great asset to the students as well as to the faculty.

Because of his outstanding ability, Rod Cagle was selected to play in the All-West Tennessee Band. The Middleton High School Band is very fortunate to have a member participate in this activity.

The Middleton High Stage Band, under the direction of Charles D. Brunjes, has had a prosperous year. They gave a very good performance in the Bailey Howell Gymnasium, and at the Stage Band contest in Collierville, they received a rating of "good."

MUSIC IS THE UNIVERSAL LANGUAGE AND . . .

Yes, pain is part of the game. Ask Greg Yopp.

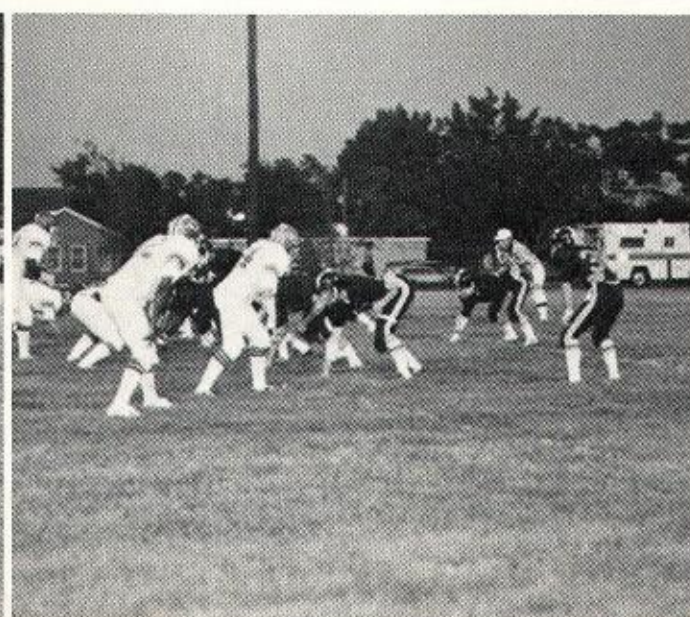

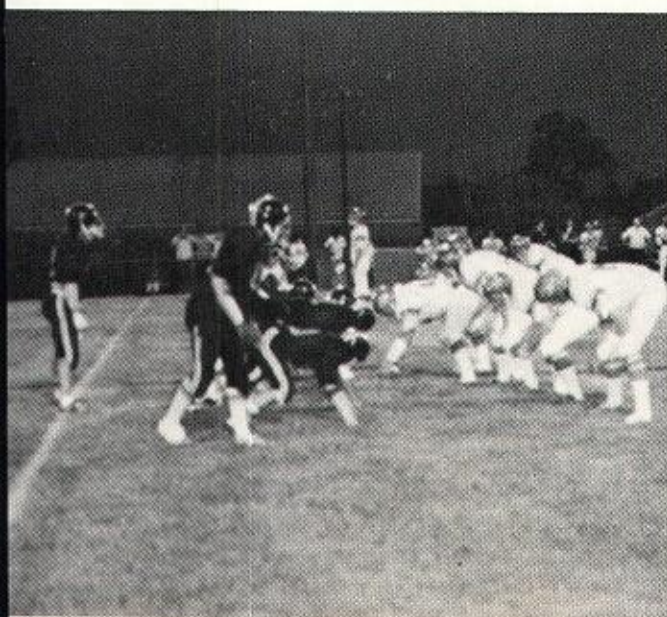

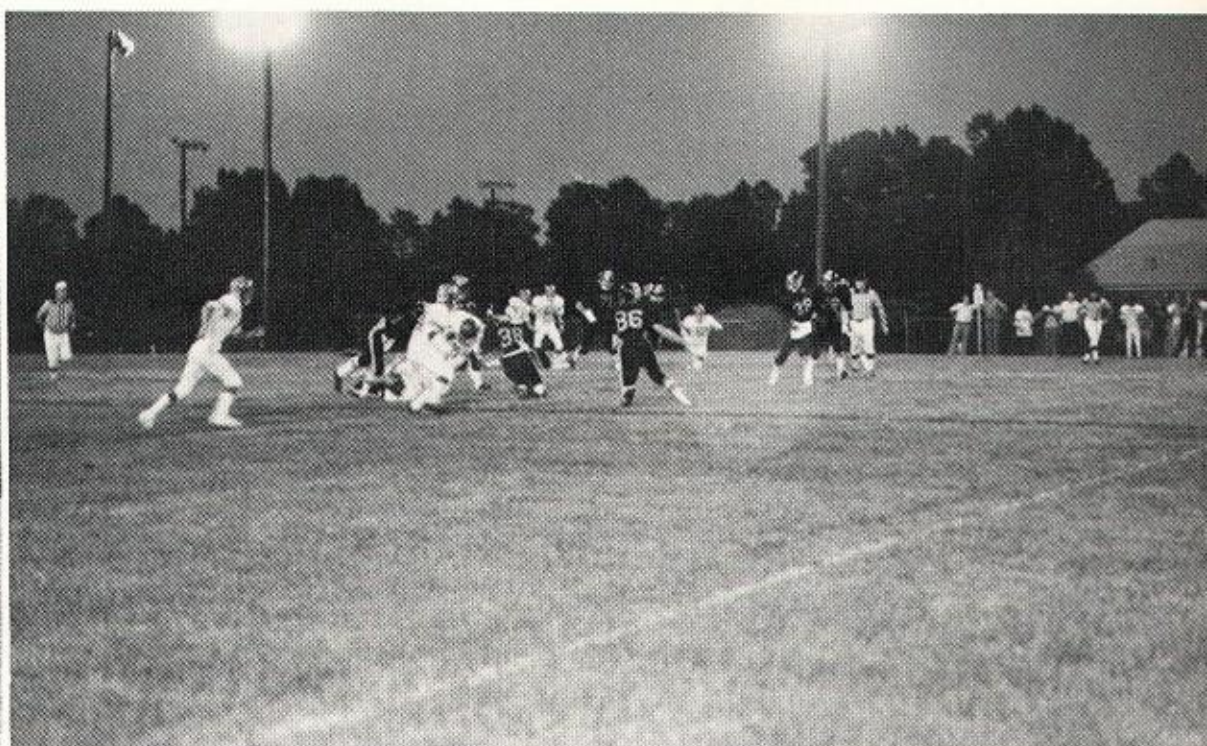

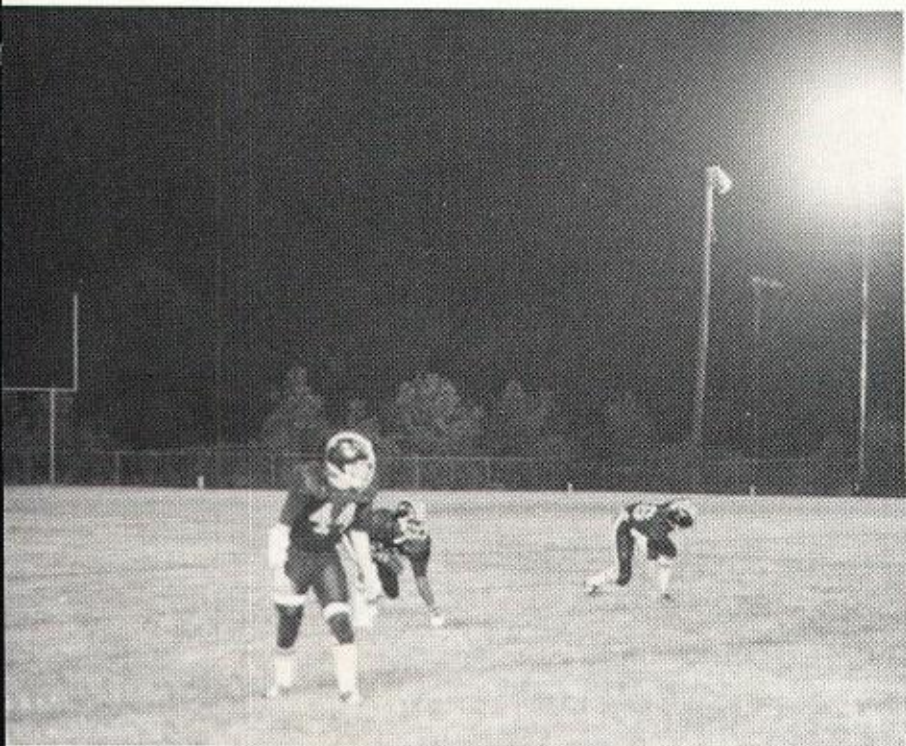

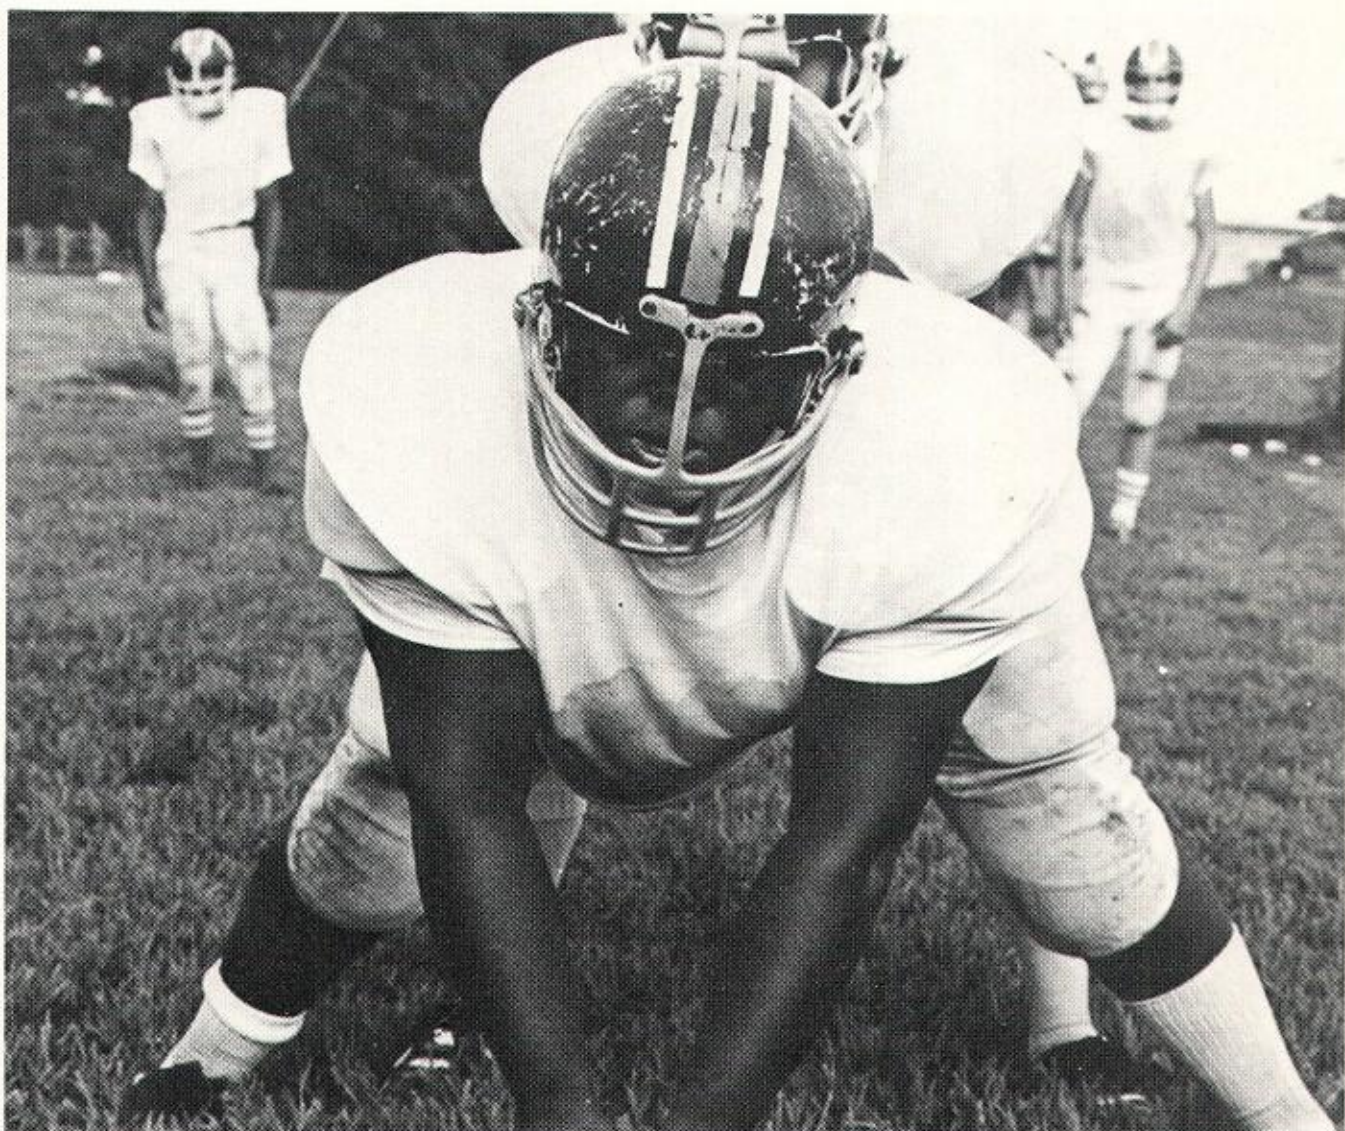

The football season proved to be very eventful this year. The season began August 26 and ended November 4 with a total of eleven games being played. Of those games, we won four and lost seven. Although it wasn't a winning season, the team played hard and made us proud of them.

FACING COMMENCEMENT

The time has come, as come it must,
when all our dreams have turned to dust.

And all our fears are reality;
this can't be happening, no, not to me.

It's time to leave school days behind
and greet the world head on;

Our adulthood comes shining through,
our talents must be shown.

Some will succeed in life,
and some just simply won't;

Some of us try very hard,
and some of us just don't.

But all in all, we've learned to live
and to never give up hope;

And with the strength given from above,
we'll always be able to cope.

"STARRY, STARRY, NIGHT," WAS THE THEME

Mr. Brunjes livens up the party with his talented Stage Band.

Teachers enjoy meal time best of all.

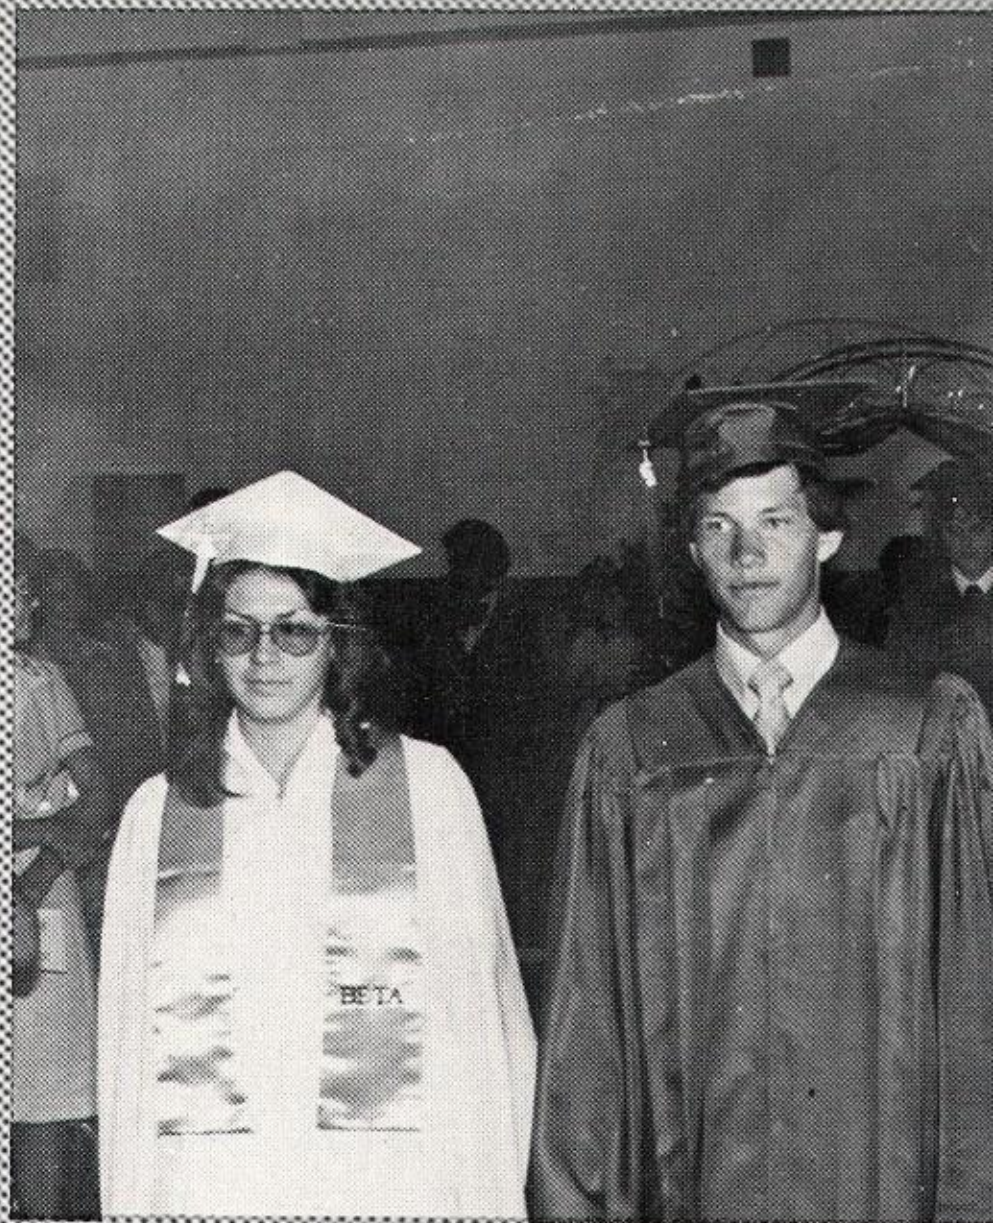

OF THE JUNIOR-SENIOR BANQUET . . .

Prophesies always bring laughter to our faces.

Signing each other's books, laughing, and simply enjoying each other's company.

Mr. A. B. Crawford

GONE BUT NOT FORGOTTEN

Students may like him, students may not;

Some may remember their seat he made hot.

Some may laugh, and some may cry,

As we all join hands to bid him goodbye.

Some may remember his flirty ole ways;

He's leaving us now, he's counting the days.

Some may scream, and some may shout,

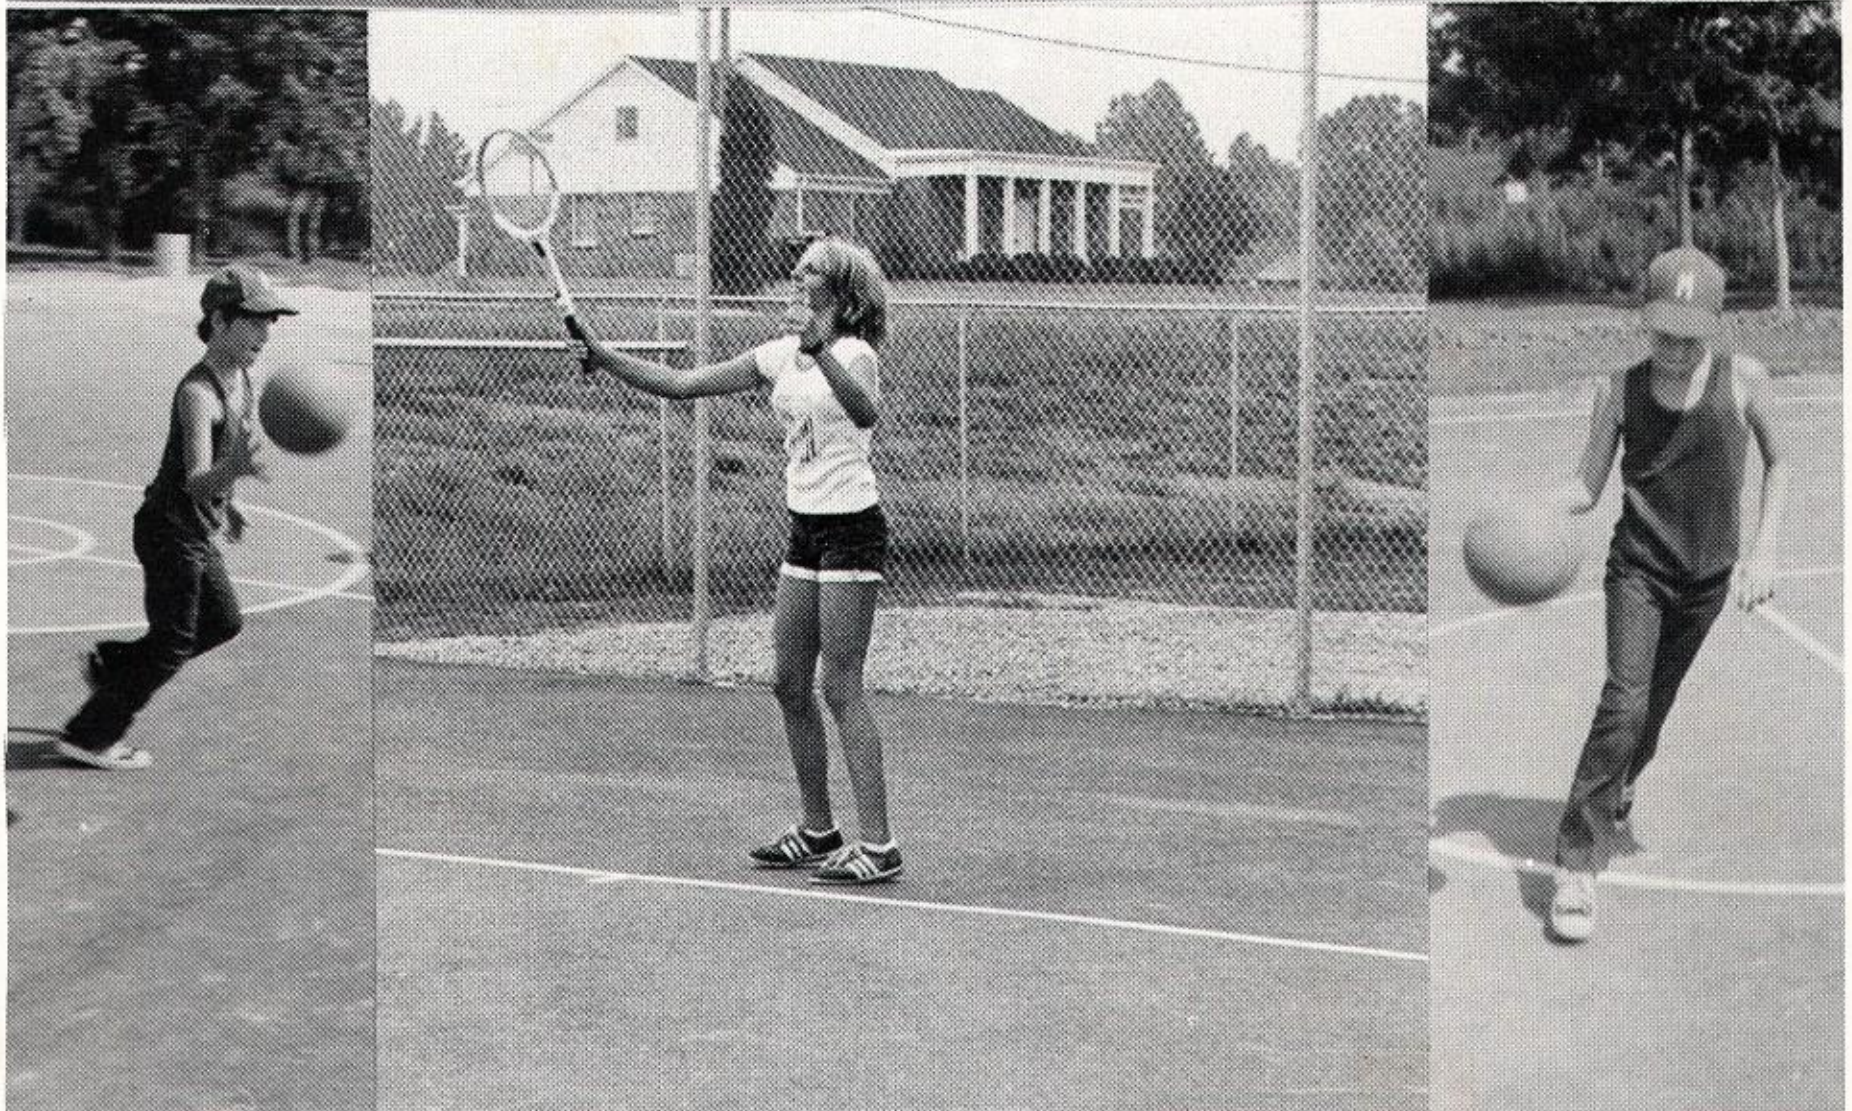

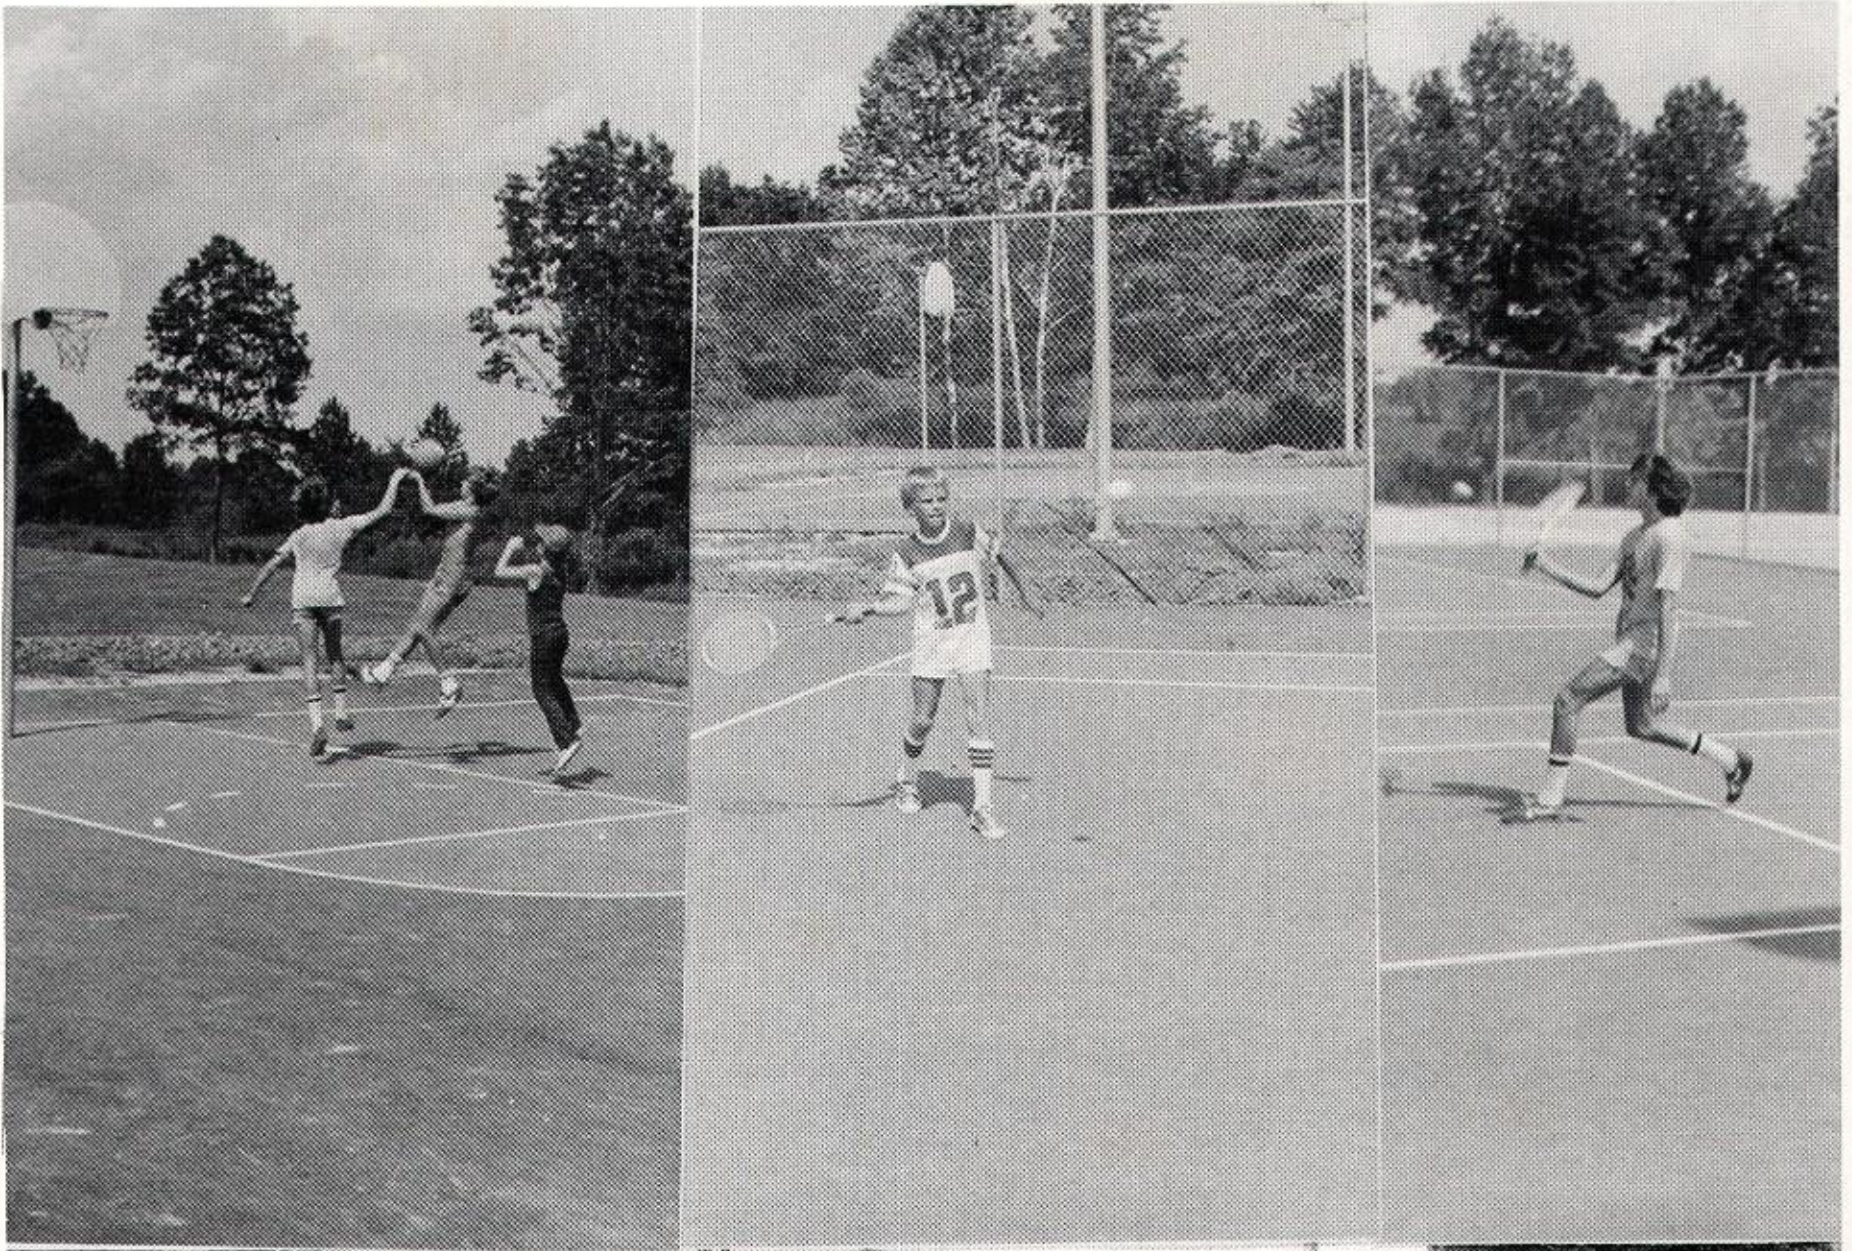

But they won't forget him beyond a doubt.

Then later in years we look back to see,

NOW. GREAT FOR THE PRICE OF GOOD.

Presenting Bolivar Speaker Works, makers of hi-fidelity stereo loudspeakers that sound great, but don't cost it.

We've got all three models: The two 3-way systems and one 2-way system. We've got them in both kinds of cabinets: A terrific looking Tennessee Hickory vinyl and a warm, earth-tone vinyl that costs even less.

All three systems are twice as efficient as their top-selling competitors. All three Bolivars will make your system sound a lot better than any other speaker in the same price range.
